

# South West Challenge Cup

Both girls Kaycee Wright & Katie Beagley had an early start to arrive in Bristol for 8:30am. After the cobwebs had been blown away during the warm up they headed to their first apparatus bars. Kaycee competing in the Espior level was the first of the Falcons girls putting together a clean routine with no falls. Katie in the senior FIG was last in the group and mirrored kaycee with a clean routine and no falls. Next beam, where kaycee had a solid start but had a fall performing her standing tuck back, the routine continued without any further errors and landed a good dismount. Katie's beam started with a long wait for the judges but she composed herself and with a few wobbles held it together and completed the routine with no falls. Next floor, kaycee put together a beautiful route showing off lovely lines, with one little slip up on her final tumble of 1.5 twisting straight back somersault where she wasn't able to stand it up. Katie only for the second time performing her new routine carried on with her competition form going through with only a few small errors but no falls.

Last piece of the day for the girls was vault. Katie was the first of the Falcons girls to go this time with her pikes Tsukahara vault only taking a small step on her landing. Kaycee performing the same vault landing slightly short and like Katie took a small step on landing. The competition finished with Katie going clean on all four apparatus and kaycee with 2 falls.
