Happy Hoppers Pre-school Gymnastics

Volume 1, Issue 1

September 2019

In this Issue:

- Welcome
- Code of Conduct
- Timetable
- Dress Code
- Fees
- New premises

Welcome

At Happy Hoppers we like to learn while having fun!

Children are involved through our theme based sessions, including The Bear Hunt, transport, space, food and the weather. We start as a group with music, movement, stories and songs, followed by hand apparatus, including bean bags, balls, hoops, ropes and parachute. Soft play equipment and gymnastic apparatus is set up to create an interesting and challenging environment for children to explore and learn important body awareness skills.

Our cool down brings everyone together for quiet time, stickers or stamps, the homework challenge and collection of the attendance book. Children receive mini certificates for attendance and once their book is complete they are awarded with a medal - all included in the price.

In each session we celebrate a personal achievement made by one child. A certificate is awarded and they take Freddy Frog for the week - our Happy Hopper Superstar!

We follow the British Gymnastics Pre-school Proficiency Awards Scheme focussing on the basic skills of balance, action and co-ordination, vital in all sports. Badges are awarded at the end of each term

Timetable

MONDAY	MONDAY	MONDAY
